

A GIFT THAT KEEPS GIVING

Dear Family and Friends

In lieu of gifts, please consider a donation to registered charity, Abacus Learning Centre.

Abacus provides centre-based autism services including crucial early intervention that helps autistic children connect, communicate and learn.

Every donation, no matter what the size, will help their life-changing service continue to make a difference.

Donations over \$2 are tax deductible and can be made via the online giving platform 'Shout For Good'.
